Taste of Scandinavian Kitchen and appetizers

Scandinavia Cafe is located in the atmospheric Old Market Hall. The founder of the Cafe grew up in Finnish Lapland surrounded by mountains and under the northern lights. From Lapland he left to explore the world gathering experiences in New York, Milan and on cruise ships around the world. Scandinavia Cafe was founded in 2014. High-quality ingredients, warm-hearted service and locally made traditional Finnish bakery products are the corner stones of their business philosophy, not forgetting the environment. The goal is that every customer leaves the Cafe satisfied with a smile on their face, ready to visit again. Scandinavia Cafe will now share this philosophy with you - onboard at Stromma boats during summer of 2024. Enjoy!
