We love Amsterdam and therefore work as sustainable as possible. Stromma strives to have a green and quiet fleet. In 2025 our entire fleet will run on electricity. We have been rewarded with the Silver Green Key award, the highest international quality mark for sustainable entrepreneurship.

At Stromma Netherlands we know Amsterdam like no other. We know every canal, every bridge and every docking area. Sailing – that is what counts, whether it is by open boat, classic boat, event ship or pedal boat. Our wide range of activities allow 1.5 million guests annually to experience Amsterdam at its best: from the water.

We are part of the international Stromma Group, active in the shipping industry and tourism for over 200 years and with branches in twelve cities in five countries. Our brands Stromma, Canal Tours Amsterdam, Canal Tours Utrecht, Amsterdam Excursions are visible in the city. As a market leader on the canals, we work with a passion for the city, an eye for innovation and love for sustainability.

KNOWLEDGE OF THE CITY

It is the combination of tangible history in the form of canals, bridges and warehouses with futuristic buildings, huge cruise ships and brand-new hotspots that make Amsterdam a city of stories. Our guides are happy to tell you about them. They know all about the historic city, from the infamous redlight district to the prestigious Golden bend on the Herengracht. At the same time they tell you all about modern architecture and the latest developments along the shores of the IJ lake.

CUSTOM-MADE PROGRAMME

Informal drinks with clients, meetings on board, fashion shows or a ball pit boat: Stromma has a ship to fit every idea. Based on specific desires, we draw up a programme that links up with your company, brand or family seamlessly. Our fleet also offers various possibilities for boat transfers to and from convention locations for parties of up to 1000 guests. Need some inspiration? Our experienced colleagues are happy to help! The sales team is available during office hours at +31 (0)20 217 0500 and via sales@stromma.nl to discuss possibilities.
